Into the Mystery Retreat

What is Into the Mystery Retreat? Into the Mystery is a weekend retreat for 7th and 8th grade students led by high school FIRE students. The retreat focuses on the relationships that each person has in their lives and how God is an important piece of each of these relationships.

What will I do all weekend? The weekend is high-energy and packed with excitement. Students who attend the retreat experience the fun and enthusiasm of spiritual life. You will participate in small-group discussions, skits, projects, games, and other activities that show how great life with Christ can be!

Why should I go? Do you wonder what it means to be Catholic, or what makes the Christian life different? Do you like to meet new people and have a good time? Do you wish you could experience a deeper and stronger relationship with Christ?

Into the Mystery is your opportunity to ask questions about your faith and explore a deeper personal relationship with Christ, all while having fun and making new friends. You have the chance to talk with high school students who were in your place just a few years ago. They are enthusiastic and full of energy for the Lord, and the wonderful things that happen when you have a great relationship with Him. Let them share their excitement with you!!

Want to help, but can't chaperone? Here's a suggestion for you. Sponsor a youth to attend the Into the Mystery Retreat. You can make it possible for one more youth to attend this fellowship building event who may not otherwise be able to due to financial constraints. Just note on the memo line of your check "Plus One".

Thanks for helping build God's kingdom with your gift of treasure!
