

What is e3?

When you don't know where to start, and you don't know what to do, or how to do it, e3 opens the door to sharing your faith.

Because you are here, take the next step. Join the Disciples In Mission experience—you won't be sorry!

Disciples In Mission is a proven and effective ministry that fosters parish-based evangelization. Parishioners who participate experience spiritual renewal and a greater commitment to share the Gospel.

Over 4,500,000 Catholics in over 3,600 parishes across the United States have benefited from *Disciples in Mission* since 1996.
