

## **Holy Family Catholic Church Launches “Disciples In Mission”**

Disciples In Mission; An Evangelization Experience, is getting people ready to be “e3” —evangelizing, everyday, everywhere.

Disciples In Mission is a proven and effective ministry that fosters parish-based evangelization. Parishioners who participate experience spiritual renewal and a greater commitment to share the Gospel.

Over 4,500,000 Catholics in over 3,600 parishes across the United States have benefited from this program since 1996.

Last year during Lent, over 200 parishioners joined faith sharing groups, teen groups, and family activities. Each group or family will centered on the Scripture and apply it to daily life. Prayer is the cornerstone of the mission. This year we hope to have many more participants as the feedback was excellent!

Disciples In Mission is a 3 year program dedicated to growing faith and seeing the results in the parish and the community.

If you are interested in getting involved, please contact one of the Parish Leadership Team for Disciples In Mission.
