

You are invited to be a DISCIPLE IN MISSION!

ADULTS ARE INVITED TO JOIN A SMALL FAITH-SHARING GROUP

Small groups will meet once a week during Lent to reflect on the readings from Sunday Mass. The parish will provide a trained facilitator and participant booklets for each group. Through these meetings, the word of God will come alive as you relate it to your everyday life. You will learn more about Scripture, take part in discussions about the things that matter most, meet some wonderful fellow parishioners, and have the opportunity to build up the Body of Christ. Joining a small group is a proven way to enter more fully into Lent and to prepare for Easter.

TEENS ARE INVITED TO JOIN A SMALL FAITH-SHARING GROUP

Once a week during Lent, high school teens will meet for fellowship, scripture-based faith sharing, honest discussion about their lives, and prayer. The parish will provide a trained facilitator and a participant's booklet written specifically for teenagers. The meetings will be fun and challenging. Come, be involved.

ALL ARE INVITED TO CONTINUE PRAYING

The prayer campaign that started in the weeks before Ash Wednesday will continue through Pentecost. As prayer is the cornerstone of *Disciples In Mission*, please continue praying for our parish and for all those who will be touched by these Lenten activities.

FAMILIES WITH YOUNG CHILDREN ARE INVITED TO DEEPEN THEIR FAITH

The family is the "domestic church" and an important part of this evangelization experience. Since families with young children often find it difficult to participate in parish programs, they are invited to participate in the home. Using a simple booklet provided by the parish, individual families with young children will gather in their homes once a week during Lent to listen to the Gospel reading from the Sunday Mass, to engage in age-appropriate discussions and activities, and to pray together. Participation is fun, stimulates children's growth in faith, draws the family closer together, and deepens family spirituality. Of course, parents may also join an adult small group if they wish. ALL ARE INVITED TO LEARN ABOUT CATHOLIC EVANGELIZATION.

"Evangelization" is a relatively new word in our Catholic vocabulary. While the term has been used frequently since the Second Vatican Council (1962-1965), there are still many questions and some misconceptions about "evangelization". Hence, each week during Lent, you will receive a special bulletin insert that clearly presents the Church's vision for Catholic evangelization in the United States. In addition, each week's insert will invite you into a time of reflection and to take on a concrete evangelizing action.
